

In this issue:

Renato Zero - Movimento Tour 2006

i WASH LED *on stage*

....We are the first to use the iWash Led for a live show. I like them very much because they are small, light, easy to install and with a good light output quality. In this show they are used mainly to light up the band but they have other great possibilities of installation.

Billy Bigliardi
(Italian Light Designer)
Backstage n.79 march-april 2006
